

NASA HPOSS Proposal Checklist

TriadicFrameworks Research Initiative

Internal Submission Readiness Guide

This checklist ensures that all required components of the HPOSS proposal are complete, formatted correctly, and ready for submission through NSPIRES.

1. Required Documents

Cover Letter

- 1 page
- Includes proposal title
- Includes PI name, ORCID, organization
- References HPOSS solicitation
- Optional: DOI references

Scientific/Technical Proposal (≤ 15 pages)

- Project summary
- Technical description (dsrsp/0.1, RSM, vST, SLRP)
- Work plan and methodology
- Deliverables and milestones
- Expected scientific impact
- Alignment with NASA open-science mission

Open Science Plan (≤ 2 pages)

- Licensing and repository strategy
- Reproducibility workflows
- Data and software management
- Community engagement plan

Budget & Budget Justification

- ☐ Personnel effort described
- ☐ Developer support justified
- ☐ Cloud and tooling costs explained
- ☐ Outreach and archival costs included
- ☐ Indirect costs (if any) documented

Attachments

- ☐ Biosketch (PI)
- ☐ Facilities & Resources
- ☐ Current & Pending Support
- ☐ Additional attachments (if applicable)

References

- ☐ Complete DOI list
 - ☐ NASA HPOSS links
 - ☐ All citations consistent
-

2. Formatting Compliance

- ☐ 12-point font
 - ☐ 1-inch margins
 - ☐ US Letter PDF
 - ☐ Searchable text
 - ☐ Clear section headings
 - ☐ Legible figures/tables
-

3. Internal Consistency Checks

- ☐ Terminology consistent across all sections
 - ☐ dsrsp/0.1, RSM, vST, SLRP described consistently
 - ☐ All DOIs resolve correctly
 - ☐ Work plan matches deliverables
 - ☐ Budget aligns with work plan
 - ☐ No speculative or unverifiable claims
-

4. Submission Steps (NSPIRES)

- ☐ Create proposal record in NSPIRES
 - ☐ Upload all PDF documents
 - ☐ Verify file names and order
 - ☐ Complete cover page fields
 - ☐ Certify and submit
-

5. Final Pre-Submission Review

- ☐ All required documents present
 - ☐ All PDFs open correctly
 - ☐ All page limits respected
 - ☐ All links functional
 - ☐ Proposal reads cleanly and professionally
-

6. Ready for Submission

- ☐ Proposal package complete
- ☐ Internal review complete
- ☐ Submission approved
